Adopt-a-Nest Application – 2018 Season

Hilton Head Island Sea Turtle Protection Project

Help save the turtles!

Adopting a Loggerhead Sea Turtle nest will provide the Coastal Discovery Museum’s Sea Turtle Protection Project with important funds to help support the educational portion of the project and the sea turtle exhibit at the museum. By educating others to the plight of sea turtles, their chances of survival may increase.

For \$25.00, adoptive “parents” will receive a Certificate of Adoption, a turtle souvenir, email updates throughout the season, and a final summary report.

For \$50.00, adoptive “parents” will also receive a special 2018 sea turtle nest adopter T-shirt.
