

COASTAL DISCOVERY MUSEUM

Experience The Lowcountry Up Close

Special Holiday Events at the Coastal Discovery Museum

Sweetgrass Wreath Class / Dec 8th and Dec 22nd / 10:30am-12:30pm

Learn about the history of the Sweetgrass basket from a local 7th generation Gullah basket maker. During this special holiday class, you'll have a chance to make a decorative Sweetgrass wreath on your own using locally found natural materials. \$65 per person. Reservations required.*

Lowcountry Critters / Dec 26th and Jan 2nd / 1:00pm-4:00pm

During this casual animal "Meet and Greet" learn more about the alligators, snakes and other critters that share Hilton Head Island with us. Take this opportunity to walk-in and see these animals up close, take a picture, and learn more about them. \$10 adults, \$5 children (ages 5-12). No reservations required.

Discovery Lab Open House / Dec 27th & Jan 3rd / 10:00am-12:00pm

Drop in and explore the Discovery Lab. Visiting the lab is a fun educational experience for all ages. Get a closer look at some live lowcountry animals like fish, horseshoe crabs, hermit crabs, frogs, lizards, snakes, and an alligator. Discover unique and fascinating stories about the lowcountry's history and environment through hands-on, interactive displays and games. \$2 per person. No reservations required.

Lowcountry Owls / Dec 28th / 2:00pm

Owls are not only fascinating creatures featured in myths and beliefs of many cultures, but also active predators that are a crucial part of our ecosystem. Come and learn from owl expert Nancy Owen about the physical features and characteristics that make these amazing creatures successful in the ecosystem. This education program will feature several species of live owls that are native to the lowcountry. \$7 per person. Reservations required.*

Lowcountry Raptors / Jan 4th / 2:00pm

Raptors play an important role in our ecosystem and have some impressive survival skills too. A few extraordinary birds will visit with Lila Arnold from Lowcountry Raptors. Get an up close look at these spectacular birds and learn about the life of birds of prey and how you can help protect them. \$7 per person. Reservations required.*
