Phases of the Moon Puzzle

Directions: Complete the moon phase chart on the next page. Cut each moon phase and paste it onto an empty circle on page 2 in the correct order of the phases of the moon. The phases (not in order) are new moon, full moon, waxing crescent, waning crescent, waxing gibbous, waning gibbous, third quarter, and first quarter. After you have completed the chart, cut out the horseshoe crabs below and paste them on top of the moon phase to which they spawn.
