COASTAL DISCOVERY MUSEUM
Experience The Lowcountry Up Close

Kids Story Time is a free Coastal Discovery Museum online resource for teachers to use with their students. We ask that all teachers using this resource register to use it. Registration helps the Museum acquire funding so that we are able to continue to offer these resources free of charge. Please only share this content with teachers and students that are included in your registration. Teachers can register to use online resources at... <https://www.coastaldiscovery.org/home/discover-and-learn/school-programs/>.

"Speedy Ghost Crab" by Suzanne Tate
